

# 76<sup>th</sup> FIP World Congress of Pharmacy and Pharmaceutical Sciences Buenos Aires, Argentina *28 August - 1 September 2016*

## Reducing the global burden of disease – Rising to the challenge

The 2016 FIP congress in Buenos Aires invites pharmacy professionals and pharmaceutical scientists from around the world to rise to the challenge of reducing the global disease burden and improving quality of life through sickness prevention and health promotion.

The professional symposia at this congress will explore the many ways in which you can respond to global health needs through practice, science and education.

We look forward to welcoming you  
from 28 August to 1 September 2016  
in Buenos Aires!
